3 Steps for Career Success

Whether you come to college undecided, with a declared major, or with a specific career in mind, follow these 3 steps to begin taking charge of your career and academic success!

Step 1: Exploration

Begin Your Journey

- a. Explore yourself
 - Take Focus 2: An online career and educational planning system
 - See how your results fit with different careers/majors
 - Email Kelli Bossick kbossick@gbcol.edu for link
- b. Explore majors at GBC
 - Over 15 different majors
 - Investigate the career paths each major can provide
 - <http://whatcanidowiththismajor.com/major>
- c. Explore careers and the world of work
 - ONET: <https://www.onetonline.org>
 - Occupational Outlook Handbook: <http://www.bls.gov/ooh>

Step 2: Engage

Meet Others on Your Journey by Visiting Campus Departments

- a. Connect early and often with your Academic and Career Advisor
- b. Seek on-campus employment
 - [Application for Student Employment](#)
 - Send the completed application to Sherea Lacy slacy@gbcol.edu
- c. Get involved on campus
 - **Request to join our Facebook page ([Community Life @ GBC](#))**
 - [Get involved with our available ministry opportunities](#)

Step 3: Experience

Succeed During Your Journey

- a. Integrate traveling companions
 - [The Career Center](#) - test out your interests/skills via:
 - Job shadowing, internships, co-ops
 - Academic Support – Academic Center for Excellence (ACE)
 - Grace OWL – Paper reviewers, writing tutors
 - Tutoring, academic coaching, and supplemental instruction leaders
 - [Student Leadership](#)
 - Lead a group or serve on a leadership team

Plan for Stops along Your Journey

For specific dates and locations, view our [School Calendar](#).
